

# Spaceman In Tulsa

## Counting Crows

You're a spaceman in Tulsa  
So you cover it up in clown white  
All these elegant boys make such delicate toys  
And they know it  
He says, "I know you wanna believe in something  
But if you could just see all of the people in me"  
Then the shadows descend from his eyes to his hands  
Down to his naked all-American knees

Doesn't anybody wanna be a rock and roll queen?  
Dress yourself up in a diamond tiara  
Swishy little rake, he says, "Man, I'm gonna make 'em insane"

I'm a painkiller, and I'm a caterpillar  
They can't break you, man (Yeah, they can't break you apart)  
Another well-nigh butterfly found on a bus out of town  
Turning into a motherfucking rock and roll star

Ally says she's one in a million  
Other people tend to agree  
From her fishnet luck to her platform Chucks  
She's a fading Miss American dream  
But her daddy couldn't keep his distance  
She says, "You can't keep him away if you try"  
The saddest mistakes are the ones that we make  
Wishing away what's right in front of our eyes

Doesn't anybody wanna be a rock and roll queen?  
Leave 'em laughing when you wanna die  
Crazy little dreamer says, "Man, I can't believe I'm still alive"

I'm a painkiller, and I'm a caterpillar  
They can't break you, man (Yeah, they can't break you apart)  
Another well-nigh butterfly found on a bus out of town  
Turning into a motherfucking rock and roll star

Bobby, he's such a rock and roller  
Says, "Everybody's somebody I used to know  
Man, I was the toast of the town  
Back when everyone knew where to go  
I was a spaceman in Tulsa  
But if you could see behind my eyes  
I'm just an empty smile  
And a song I don't even know that I'm singing"

Doesn't anybody wanna be a rock and roll queen?  
Light your rocket and burn right out of town  
Crazy little fucker says, "Man, I guess I'll see you around"

And I'm a painkiller, super fly caterpillar  
They can't break you, man (Yeah, they can't break you apart)  
Another well-nigh butterfly found on a bus out of town  
Turning into a motherfucking rock and roll star

I'm a painkiller, yeah, yeah, yeah, yeah  
Well, I'm a motherfucking rock and roll star  
I'm a painkiller, and I'm a caterpillar

I'm, I'm, I'm, I'm, I'm, I'm, I'm a motherfucking rock and roll star  
Yeah, yeah  
I'm a motherfucking rock and roll star  
Yeah, yeah  
I'm, I'm, I'm, I'm, I'm, I'm, I'm a motherfucking rock and roll star
