

Breathing Room

Courage My Love

I caught myself in a trap
There's barely any room to breathe
Caught in the act
I guess that I should admit defeat
But I can't always break down in these situations

Oooh whoahohoh

And all I'm asking of you now
Is some of your patience oooh

I just need some breathing room
I just need to be away from you
I just need some breathing room
I just need to be away from you

Oh oh ohhh

Maybe you've got a knack
For bringing out the worst in me
Cause if you're the match
I guess that makes me the gasoline oooh
You know it always breaks down
To these situations oooh whoah oh
When all we have in common now
Are these confrontations oooh

I just need some breathing room
I just need to be away from you
I just need some breathing room
I just need to be away from you
I just need some breathing room
I just need to be away from you
I just need some breathing room
I just need to be away from you

Ooooh whoa whoa

Breathing
Breathing
Breathing
Breathing
