

I Don't Even Wanna Know

Courage My Love

Maybe we just bring out
The worst in each other
Baby we just can't stop
Hurting one another
How far is too far to go
How much is too much to hope

I don't even wanna know
If you're alright
I don't even wanna know
If you're lonely tonight
I don't even wanna know
If ignorance is bliss
Don't tell me anything more
If I'm on your mind
I don't even wanna know

Maybe you should spit it out
So I don't need to wonder
Drain the poison from your mouth
Contaminate the others

How close is too close to be
How soon is too soon to leave (leave)
I don't even wanna know
If you're alright
I don't even wanna know
If you want me tonight
I don't even wanna know
If Ignorance is bliss
Don't tell me anything more
If I'm on your mind
I don't even wanna know
If ignorance is bliss
Don't tell me anything more
I know it's selfishness
But I can't seem to let it go
There is so much to say that
I don't even wanna know
If you're alright
I don't even wanna know
If you're lonely tonight
I don't even wanna know
If ignorance is bliss
Don't tell me anything more
If I'm on your mind
I don't even wanna know
