

# Walls

## Courage My Love

This isn't me  
I'm not the type to move so recklessly  
I know, I know this isn't love

I swear I feel it when you touch her  
You don't mean it when you say you love her  
He's a stranger, I feel better  
In the morning I'll regret this

If these walls could speak  
I hope they don't tell on me  
All the secrets that they keep  
You were everything to me  
If these walls could breathe  
I know they'd be whispering  
"You were everything to me  
You were everything to me"

This isn't me  
This isn't where I thought my life would be  
I'm close, so close to giving up

I swear I feel it when you touch her  
You don't mean it when you say you love her  
He's a stranger, I feel better  
In the morning I'll regret this

If these walls could speak  
I hope they don't tell on me  
All the secrets that they keep  
You were everything to me  
If these walls could breathe  
I know they'd be whispering  
"You were everything to me  
You were everything to me"

If these walls can breathe  
Can't be alone with myself  
If these walls can breathe  
But I don't trust anyone else

If these walls can speak  
I hope they don't tell on me  
Cause I know everything they've seen

If these walls could speak  
I hope they don't tell on me  
All the secrets that they keep  
You were everything to me  
If these walls could breathe  
I know they'd be whispering  
"You were everything to me  
You were everything to me"

"You were everything to me  
You were everything to me"
