```
When I called, I heard you say, "Tell her I'm out."
And don't you know I'm smart enough to figure you out?
You said, "Come on we need to talk, let's go for a ride."
But you don't have to say a thing, I can read your mind
I hear the song on the radio playing loud
I might forever hear the words you thought would let me down
Hey, yeah, yeah, but my heart breakin'
Hey, yeah, yeah, but my heart breakin'
It didn't make a sound
We sat up all night while you apologized
And I think you were surprised to see me smile
But all I heard was the sound of the freedom bells ringin'
And I bet you thought I would be breakin' down
Hey, yeah, yeah, but my heart breakin'
Hey, yeah, yeah, but my heart breakin'
It didn't make a sound
It didn't make a sound
Hey, yeah, yeah, but my heart breakin'
It never made a sound
It didn't make a sound
It didn't make a sound
It never made a sound
Go ahead and leave me, darlin'
You won't ever see me cryin'
You'll never hear my heart breakin'
It didn't make a sound
```

It didn't make a sound
It never made a sound
