

Morning

Courtney Jaye

I met you in the springtime
Honeysuckle on a new vine
My heart in pieces on the floor
I had my fell of good times
Of losing and of cheap cry
But you can like the others before.

You said, "Don't you cry, dry your eyes
I'll be there in the morning"
"Don't you cry, dry your eyes
I'll be there in the morning".

4:30 in the AM
You hear my voice shaking
I have to know if you're doing alright
'Cause baby, I had a bad dream
Made for a movie scene
I gotta hear your voice on the line.

You said, "Don't you cry, dry your eyes
I'll be there in the morning"
"Don't you cry, dry your eyes
I'll be there in the morning".

If I knew I had you forever and a moment
I'd find a way to steal some more time
Time, time
Life's gonna throw us some
Curves we won't be seeing
But either way, the sun's gone up bright

You said, "Don't you cry, dry your eyes
I'll be there in the morning"
"Don't you cry, dry your eyes
I'll be there in the morning".

"Don't you cry, dry your eyes
I'll be there in the morning".
