

## Guy Stuff

courtship.

Why do guys like nice  
Doesn't it feel right  
Something deep inside  
Is screwed up

It's guy stuff  
It's violence in our heart  
It's so tough  
It's kindness torn apart  
We're tearing it apart  
We're tearing it apart

Every single night  
Such a deep desire  
Just to be inside  
Something

It's guy stuff  
It's violence in our heart  
It's so tough  
It's kindness torn apart  
We're tearing it apart  
We're tearing it apart

Every single night  
Such a deep desire

Why do guys like knives?  
Doesn't it feel right?  
Something deep inside  
Is screwed up

It's guy stuff  
It's violence in our heart  
It's so tough  
It's kindness torn apart  
We're tearing it apart  
We're tearing it apart

Every single night  
Such a deep desire
