

## Islands

courtship.

Don't believe in God  
But I thank Moses every day for my dad  
Even when I'm lost  
I remember what he said

Don't fight it, don't fight it  
Open your eyelids  
And ride it, just ride it  
Get off your island  
Because you are invited  
To be undecided  
You're so dumb  
You act so wrong  
But you're still young

I want to play pretend  
I want to start again  
And I fight and I fall and I fail  
Until the end  
I wish I was ten  
'Cause I hate paying rent

Don't fight it, don't fight it  
Open your eyelids  
And ride it, just ride it  
Get off your island  
Because you are invited  
To be undecided  
You're so dumb  
You act so wrong  
But you're still young

Don't fight it, don't fight it  
Open your eyelids  
And ride it, just ride it  
Get off your island  
Because you are invited  
To be undecided  
You're so dumb  
You act so wrong  
But you're still young

You act so wrong  
But you're still young  
You're so dumb  
You act so wrong  
But you're still young  
Your island, your island
