

Million Dollar Smoothies

courtship.

Na, na-na, na-na, na-na
Na, na-na, na-na, na-na

Wake up in the mornin', feelin' so important
Another fruitful latte, drink it on my Yacht, ayy

Tell me, girl, what you want, what you want
The whole damn world or a spot on the Sun
No, I can't give you love, give you love
But a pretty little bull, she's in love

Na, na-na, na-na, na-na
Livin' bad and boujee, million dollar smoothies
Na, na-na, na-na, na-na
When my money blows up, hope it fill the hole up
We can drink it up, drink it up
We can drink it up, drink it up
Na, na-na, na-na, na-na
When my money blows up, hope it fill the hole up

Dig it up another level, buy some precious metals
You know I'm gonna make my skin glow
Thanks to Gwyneth Paltrow

Tell me, girl, what you want, what you want
The whole damn world or a spot on the Sun
No, I can't give you love, give you love
But a pretty little bull, she's in love

Na, na-na, na-na, na-na
Livin' bad and boujee, million dollar smoothies
Na, na-na, na-na, na-na
When my money blows up, hope it fill the hole up
We can drink it up, drink it up
We can drink it up, drink it up
Na, na-na, na-na, na-na
When my money blows up, hope it fill the hole up

Tell me, girl, what you want, what you want
The whole damn world or a spot on the Sun
(Na, na-na, na-na, na-na)
Tell me, girl, what you want, what you want
The whole damn world or a spot on the Sun
No, I can't give you love, give you love
