Sunroof

courtship.

I get impatient every day
It's like I'm losing my sight
They say you wait until you make it
Then you fake it alright
But I won't lose

You know we're gonna do what we do best, best
So won't you open up the sunroof in my head, in my head?

Live in your cave then dig your grave
You'll never survive
I never knew that I'd been through it
'Til I made it alive
And I refuse to worry

You know we're gonna do what we do best, best
So won't you open up the sunroof in my head, in my head?
You know we're gonna do what we do best, best
So won't you open up the sunroof in my head, in my head?

Pine trees and brown leaves
And I wanna sleep outside
Wanna clear my mind

You know we're gonna do what we do best, best
So won't you open up the sunroof in my head, in my head?
You know we're gonna do what we do best, best
So won't you open up the sunroof in my head, in my head?
