Cousin Stizz

Woah, Kenny

When it be coming to bucks  
I need the checks, all of 'em  
When it be coming to sluts  
They give me neck, all of 'em  
Still never giving a fuck  
We gon' pull up, ball on 'em  
Daydreaming in the cut  
My friends, my bros, all of them  
When it be coming to bucks  
I need the checks, all of 'em  
When it be coming to sluts  
They give me neck, all of 'em  
Still never giving a fuck  
We gon' pull up, ball on 'em  
Daydreaming in the cut  
My friends, my bros, all of them

We're better than all of 'em  
Killing, the Reaper keep calling 'em  
Penthouse larger than  
Keeping my name anonymous  
And I grew up with the honorables  
I seen the rise and the fall like a domino  
I'm from where they shootin' at your abdominal ('Dominal)  
Moving like nothing ain't wrong  
Even though everything wrong  
Checks in my texts every morning (Ayy)  
Lean on me, I'm snoring  
Finna go check on my mom and them  
Finna go ball like LeBron and them  
Finna get the hundreds, all of 'em  
Bet against me, what is wrong with him?  
Better tell his team go and talk to him  
Put a stop to him

When it be coming to bucks  
I need the checks, all of 'em

On the verge with my brothers, I splurge on fur, 'giela  
But really it's urgent, young niggas go get it  
Poppin' like a pellet

Then free my dawgs from Cruella  
The plan's just forever  
So I fucked a sack, nigga, sacrifice  
Cured the appetite with a sack of rice  
Treat the Backwoods like a pacifier  
My bitch is big, that pussy fire  
I'm the captain, she say, "Aye, aye"  
Yeah, get it by the boat  
I'm in the water water like a Viking  
I ain't even took off my Nikes  
Remember them nights we  
My new chain a Pisces  
Water on my neck, bitch, swim  
Chilling in the cut like the trim  
They wanna stay broke, that's them
