

## Ask That

Cousin Stizz

Aye

Valentinos make you see em, you ain't gotta ask that  
She with me, she a freak, you ain't gotta ask that  
It ain't cheap but I can lead you to where the gas at  
Double cup, 'moke the blunt, I an't tryna pass that

Nah, I can show you where the stash at  
Bro just got the diamonds flooding we ain't tryna flash that  
You know this for certain, you can find me where the cash at  
Niggas clones fucking no hoes, smoking last pack  
Yeah, she a dime or a nine yeah I'm gonna mash that  
Leaning got me so slow, imma have a flash back  
Niggas get on records thinking that their stock is NASDAQ  
Yeah I heard his album and I put it where the trash at

Yeah, I ain't focused on no old shit  
I get closer to the pain, I can't go out like Cobain  
She just want a little name  
She fuck me cause I'm famous  
The drugs make her feel dangerous  
She give head til she brainless  
Checks clear now you clear in my language  
Moncler, I'm a little high maintenance  
All year, ain't no minimum wages  
Don't ever speak on limitations  
Mama need a crib a little more spacious  
From the jump, I jumped up straight to the majors  
I keep chasing til my niggas get raises
