

## Beamin'

Cousin Stizz

(Yeah, yeah  
Yeah, yeah, that's right)  
Ayy

My youngin' popped somebody, felt bad I had to read about it (Ayy)  
Last time I spoke to him, he said he needed guidance (Yeah)  
I be thinkin' 'bout shit way more than I speak about it (Yeah)  
Bro say, "Ride with the beam on you 'cause these streets is cloudy" (Bro like...)

Blessed up like I got the deacon 'round me  
Your soul for the money, that's an evil bounty  
Came a long way from the Suffolk County days  
Mud on the plate, I had to eat around it (Yeah)  
Know how I be, just gotta see to find me  
I be missin' home, just gotta keep the climate  
I ain't goin' back swipin' and it keep declinin'  
Make a plus out a minus, gotta be somebody (Yeah)  
Keep supplyin'  
Ain't none of us worried 'bout them feature prices  
Still poppin' out foreign, you can keep the license  
Tryna keep it like that so we keep it silent  
Keep it solid  
When it goes down, you can keep the profits (Yeah)  
Now we gotta hold piece (Yeah) 'cause we peep the violence  
Now we gotta tote piece 'cause we peep the violence

My youngin' popped somebody, felt bad I had to read about it (Yeah)

Shit ain't gettin' no easier  
Rap game gettin' more cheesier  
Feelin' outta place when I be with her  
Am I way outta this league or her?  
Got my bag up and got freezy, yeah  
Purple got my lungs all wheezy, yeah  
Purple forest got me all leanin', yeah  
Kickin' down doors, nobody feedin' us (Ayy)  
I was raised, ain't nobody beatin' us  
So tell me why I feel like niggas cheatin' us (Ooh)  
If I can't get a milli' for like each of us  
Then is it really worth it? What I'm reachin' for (Yeah)  
Glizzy tucked close, what you reachin' for? (Reachin' for)  
You know everything got a reason for it  
So I don't question anything anymore, yeah

My youngin' popped somebody, felt bad I had to read about it (Yeah)  
Last time I spoke to him, he said he needed guidance  
I be thinkin' 'bout shit way more than I speak about it  
Bro say, "Ride with the beam on you 'cause these streets is cloudy" (Like...
