Cousin Stizz

Before they close the curtains  
Hope you find what you're looking for  
And I hope it's worth it (ya)  
Life get ugly but it's perfect  
Gotta know the sea beyond the surface (ye, ay)  
Butterfly's (butterfly's) if no one but I gotta touch the sky  
Butterfly's, butterfly's if no one but I gotta touch the sky

S on my body like I'm super  
Coolin' when it's crucial  
That's just what we used to  
Everybody stack limits based on what they used to  
Had a last laugh when you movin' this usual  
Never show your stash, just in case it don't add up  
Cuz trigger man lose when everything goes bad  
Used to stretch my last, dream of shit we ain't have  
Always seemin' fast gotta pray we don't crash

Before they close the curtains  
Hope you find what you're looking for  
And I hope it's worth it (ya)  
Life get ugly but it's perfect  
Gotta know the sea beyond the surface (ye, ay)  
Butterfly's (butterfly's) if no one but I gotta touch the sky
