Did It

Cousin Stizz

I, yeah

Aye, I can't believe that we did it (that we did it)
I can't believe that we did it (did it)
Slide 'till I shine, aye let's get it (aye let's get it)
Drug deals, the condo, no miniums
Prime all the dimes, all 'em hittin' (all 'em heat)
I can't believe that I did it (I did it)
I can't believe that we did it (that we did it)
I can't believe that we did it

Ain't shit for free, aye let's get it (aye)
Bad bitches leave when you get in (damn)
Don't be surprised by the gimmick (the gimmick)
'Cause these niggas lie for a livin' (yeah)
They forgot to tell you, thinkin' you the shit the quickest way nobody smell you (aye)
Shouldn't be to stressed about the hatin', it propel you (it propel you)
Lookin' at my life there's things I should do hell and jail for (it's crazy)
Wish I didn't see some shit, but then I couldn't tell ya (couldn't tell ya)
Broker flippin' braille, he so fluent with the mail (so fluent with the-)
You already know, I know your name don't ring a bell though (yeah)
I was like 15 and ain't a thing I leave the scale for (yeah, yeah)
When you down, take a look around we been through that (aye)
[?], by the time that I seen New Jack (aye, ou)
She just throw it back and say "daddy watch me do that" (aye)
Know the pussy pink, tryna' beat it 'till it's blue black (aye, aye)

Aye, I can't believe that we did it (that we did it)
I can't believe that we did it (did it)
Slide 'till I shine, aye let's get it (aye let's get it)
Drug deals, the condo, no miniums
Prime all the dimes, all 'em hittin' (all 'em heat)
I can't believe that I did it (I did it)
I can't believe that we did it (that we did it)
I can't believe that we did it

Sometimes I surprise myself (for real)
I don't need help, I be fine myself (by myself)
If I wasn't me, shit I would despise myself
Heart cold, don't know the last time I felt (my shit cold)
But it's facts there's a classic on everything I touch (huh?)
And we came up out the mud, so I can't complain that much (go!)
When you see your blessings, they gon' throw all they disgust (yeah)
I don't smoke no little blunts, gotta buy it by the bunch (get smoked!)
Pounds they all up in the front (yeah)
Still ain't in to givin' fronts (yeah)
They ain't look out for us once (what?)
I know you sippin' that [?] (alright)
Then I beat you to the punch (yeah)
But I'ma only hit it once (yeah)
Everyday I get so hungry for the bread, I wake up thinkin' 'bout the lunch (thinkin' 'bout the lunch)
Situation gotta crunch (yeah)
And every time my niggas done (baow!)
These niggas don't want the funds
Really they different then us (they different then us)

Stay down until you come up (what?)
Slide off and look like a weave (alright)
And then we gon' do it again (yeah, yeah, yeah)
We makin' it look like a trend

Aye, I can't believe that we did it (that we did it)
I can't believe that we did it (did it)
Slide 'till I shine, aye let's get it (aye let's get it)
Drug deals, the condo, no miniums
Prime all the dimes, all 'em hittin' (all 'em heat)
I can't believe that I did it (I did it)
I can't believe that we did it (that we did it)
I can't believe that we did it
