

# Lambo

Cousin Stizz

I just wanna race a Lambo  
Let's roll the dice and gamble  
I just wanna race a Lambo  
Let's roll the dice and gamble  
Gucci be all on her sandals  
She say I'm too hard to handle  
I just wanna race a Lambo  
Let's roll the dice and gamble  
Know you be flexing you talkin' 'bout work  
But that ain't ya pack, it's ya man's O  
I just wanna race a Lambo  
Let's roll the dice and gamble  
Gucci be all on her sandals  
She say I'm too hard to handle  
I just wanna race a Lambo  
I just wanna race a Lambo

Bro had his arm in the pan  
Way before I had a fan doe  
I'm drinkin' straight dout the handle  
Remy might make me go Rambo  
Heard you spit then changed the channel  
I put 10k on a mantle  
Why these boys sound like samples  
Stealing my swag by the handful  
You know that we mobbin we keep the car running  
That's just how we move like sopranos  
Gotta blend in like a camo  
I got the Feds in a scramble  
Anything possible you gotta get it and I had to make the example  
The block got me covered like flannel  
I keep it lit like a candle

I just wanna race a Lambo  
Let's roll the dice and gamble  
I just wanna race a Lambo  
Let's roll the dice and gamble  
Gucci be all on her sandals  
She say I'm too hard to handle  
I just wanna race a Lambo  
Let's roll the dice and gamble  
Know you be flexing you talkin' 'bout work  
But that ain't ya pack, it's ya man's O  
I just wanna race a Lambo  
Let's roll the dice and gamble  
Gucci be all on her sandals  
She say I'm too hard to handle  
I just wanna race a Lambo  
I just wanna race a Lambo

She gave me top so sincere  
Pulled up and brought her friends here  
I brought the whole hood in here  
Just had to make that real clear  
I want the diamonds this clear  
I wanna shine like Ric fFair  
I need a million this year

Duck in a Lambo, switch gears  
Shawty come ride with a winner she taking it off 'cause I take her there  
You a beginner, don't take it there  
You and me know they ain't playin' fair  
We bust the work down and into shares  
You know my circle ain't into squares

I just wanna race a Lambo  
Let's roll the dice and gamble  
I just wanna race a Lambo  
Let's roll the dice and gamble  
Gucci be all on her sandals  
She say I'm too hard to handle  
I just wanna race a Lambo  
Let's roll the dice and gamble  
Know you be flexing you talkin' 'bout work  
But that ain't ya pack, it's ya man's O  
I just wanna race a Lambo  
Let's roll the dice and gamble  
Gucci be all on her sandals  
She say I'm too hard to handle  
I just wanna race a Lambo  
I just wanna race a Lambo
