

Mac Roni

Cousin Stizz

Get in my bag
They wanna get in my bag
I was just down on my last
Cheese on me who got the mac-roni
Get in my bag
They wanna get in my bag
Foreign hoe and she got ass
She got that work wanna splash on me

Poppin' off
Shittin' now
Cop a whip
Tint it down
That lil bitch
Hit me up
Feelin' like she can't get enough
Shoot a flick
Cinema
Pullin' hair, shit gettin' rough
Runnin' bands, they think it's criminal
We puttin' on a lil clinic
My feet on the dash
Finna just T up
Feel like my past
Easy for me to go
Feen out and crash
Get what you thinkin' but
I ain't ask
I did my homework and I'm on they ass
Tryna be the one, I was last
Free my fam in the pit
Tryna get rich, I brought the cash

Get in my bag
They wanna get in my bag
I was just down on my last
Cheese on me who got the mac-roni
Get in my bag
They wanna get in my bag
Foreign hoe and she got ass
She got that work wanna splash on me

Get in my bag
They wanna get in my bag
I was just down on my last
Cheese on me who got the mac-roni
Get in my bag
They wanna get in my bag
Foreign hoe and she got ass
She got that work wanna splash on me

I spit out the speaker
That lil bitch she a diva
She don't ride with me tho
She gon' ride with the migos
I got the kilos
Keep it low on the geto

Keep that low on the keto
All them shooters with me tho
I'm the neighborhood hero
Walk with the zeros
Walk around with the Ben Franks
Riding with shit smokin' right out the tank
I never seen a hater at the bank
Gotta take risks when you raising your rank
I'm in the cut with the pack like I'm saint
Ain't nobody to thank

Get in my bag
They wanna get in my bag
I was just down on my last
Cheese on me who got the mac-roni
Get in my bag
They wanna get in my bag
Foreign hoe and she got ass
She got that work wanna splash on me

Get in my bag
They wanna get in my bag
I was just down on my last
Cheese on me who got the mac-roni
Get in my bag
They wanna get in my bag
Foreign hoe and she got ass
She got that work wanna splash on me
