Ice hockey wrist on a trip MIA
Ice hockey wrist on a trip MIA

They like stizzy where you been had to fill the safe up

I was countin' all the cheese way back in the day
Ice on when you see him I be poured and paid
Still ain't sweating anything cause it's every day
Fell on your knees for the bait
I had to see in your face
Yeah blessings on my line I felt one day
While I'm out here drowning Imma jump the gate

Ice hockey wrist on a trip MIA
They like stizzy where you been had to fill that safe up
Ice hockey wrist on a trip MIA
Ice hockey wrist on a trip MIA
Ice hockey wrist on a trip MIA
They like stizzy where you been had to fill that safe up
