Paper Calling

Cousin Stizz

My fingaz is itchin
My fingaz is itchin
My fingaz is itchin

My fingaz is itchin
I don't chill with niggas I just keep it business
Bro said be careful with who you do missions
Cause even your closest can turn into snitches
Damn how you go convict to witness
Damn niggas be cuttin they wristis
Damn niggas be killin themselves
Damn come get your man he need help
I just spent 1053 on a belt
I just put 5 up get bro outta jail
I take the weight of the world on myself
I take the weight of the the world off the shelf
I done been broke and I know how it felt
Still be daydreaming bout mansions and ginis
Used to be walkin to plays when it's freezy
Please don't believe that this came for no reason
Bet
100s and 50s they stay on my mind
Stackin and stackin ain't wasting a dime
Long as it work it ain't wasting my time
Check
Trynna be jay in his prime
Lean on my pride my mind and my grind
Still walk around with my pockets on fye

Stizzy go stunt on them haters
I'm from the mud like a gator
I still will serve like a waiter
I cannot stop getting paper
Really I don't need no favors
All we do fuck I don't date her
Niggas be stealing the sauce
I always come with the flavor
Bet

Listen here
I want ice by the layer
I just grind like a skater
She a dime imma take her
She online like the fader
I'm on purp like a laker
Then I ball like the player
I'm so high elevator

Don't say you got me I know you don't care about me
And once I get on don't you try to be around me
The thing about it I can't stop it once you start me
Bro got that jersey on him we ain't playin hockey
I'm off the syrup shawty asked me why I'm groggy
Them bands all on me in my pocket there's a party
Damn she on a molly
Grab on the stick like Atari
How he pull with a Barbie

But he grew up in safari

Stizzy go stunt on them haters
I'm from the mud like a gator
I still will serve like a waiter
I cannot stop getting paper
Really I don't need no favors
All we do fuck I don't date her
Niggas be stealing the sauce
I always come with the flavor
Bet

Listen here
I want ice by the layer
I just grind like a skater
She a dime imma take her
She online like the fader
I'm on purp like a laker
Then I ball like the player
I'm so high elevator

Paper keep callin' it won't let me sleep
Paper keep callin' it won't let me sleep
Paper keep callin' it won't let me sleep
Paper keep callin' it won't let me sleep
Long as I'm living I'm living the dream
I don't be holding no feeling with meeks
Paper keep callin' it won't let me sleep
Paper keep callin' it won't let me sleep
