Ways from the neighborhood, blunts big as banister  
For this I'ma never lose, boy I say we next up

Bitch want say so, I want Alfredo  
My dog want car a day old  
Servin' Lan Del Ray though  
Hoppin' out the foreign, it look like a mango  
Stay wit 10's or more, that's just how I play though  
They doin' what I say though  
Nigga walk you with that fire it take 2 to tango  
Big dog better know they pop faygo  
Say dat  
I just break 'em, I don't make the rules

Say dat  
Say dat, say dat  
Say dat, say dat

On it they owe  
Tryna rip this shit apart but it's not a lego  
When I stop she make it drop, I don't gotta say more  
Blast the fan, I was mashin' up the gas  
Know it goes fast, gotta win or that's your ass  
IOS the cash upgrade iOS the cat  
What's your number baby, 'cause you my style  
40 talkin' banger, let's Ruth Chris and hang it  
She congratulate me 'cause I move just like the mayor  
Choppa on my youngin', he a smooth operator  
My moves shocked a hater, I'm the glove, no Gary Payton  
My dog said the work shocked a J, he loved the flavor  
Kept my head down and got to workin' 'til we made it out  
You forgot it, I can't live without it

Say dat, say dat  
Say dat, say dat  
Say dat, say dat  
Say dat, say dat

Bitch want say so  
I'ma slide, say go  
Them shots sized as egg rolls, my killa pop like faygo  
Hoppin' out the mango  
And I got some 10s on me they all bad and they know  
Doin' what I say though

Say dat, say dat  
Say dat, say dat  
Say dat, say dat
