

Shop

Cousin Stizz

(Count it 'till I'm noddin' off
Hit the block with the work...)
Yeah, aye

Set up shop with the work (aye)
In my bag so deep I'm gone (gone)
Hit the block with the work (yeah)
Count it 'till I'm noddin' off (noddin' off)
Set up shop with the work (aye)
In my bag so deep I'm gone (gone)
Hit the block with the work (yeah)
Count it 'till I'm noddin' off, yeah ('till I'm noddin' off)
Let's run it on up, lets run it, lets run it on up
Let's run it on up, lets run it, lets run it on up
Let's run it on up, lets run it, lets run it on up (yeah)
Let's run it on up, lets run it, lets run it on up

Knock it off
Careful what you come across
Know I grew up with the apes, I could still go Donkey Kong
Double cross you like a snake, but I ain't ever turnin' fake
None of my bitches ever flake
Hungry like I ain't never ate
What you think?
People want what you got, once you get it just be careful sir
Ridin' with a dime-y, you ain't got enough to handle her
Every time I pop out in the city bring the camera (camera)
I go get it first
I stay low, but I'm still alert
Hit the block (yeah, aye)
Hit the block (yeah, aye)
Hit the block (yeah, aye)
H-Hit the block

Set up shop with the work (aye)
In my bag so deep I'm gone (gone)
Hit the block with the work (yeah)
Count it 'till I'm noddin' off (noddin' off)

Let's run it on up, lets run it, lets run it on up
Let's run it on up, lets run it, lets run it on up (yeah)
Let's run it on up, lets run it, lets run it on up

I'm all good, don't need your help
Sip lean for the pain I felt
Off of school bustin' that yat
Bitch I feel like I'ma melt
Bitch, I make these bitches melt
A real nigga what they felt
Me and them we ain't alike
Every week I'm on a flight
I put V's on all the ice
Yup, yup, 'cause I kept hunnids, kept it real, they ain't want me here from

the jump

Life 'bout what you make it, it don't care 'bout what you want

Me and my dog up in the front

Know they hate that it was us

Set up shop with the work (aye)

In my bag so deep I'm gone (gone)

Hit the block with the work (yeah)
