Fuzzy Logic

I've had a sleepless night I'm not sure that I'm alright It feels like something snapped Some connection deep inside The world is turning white Morning sun is blinding bright I feel like someone trapped So reluctant in the light Logic What logic? Nothing makes sense anyway Loqic Fuzzy logic Nothing makes sense anyway Logic Fuzzy Nothing makes sense anyway Fuzzy Нарру Logic makes sense every day My road grew dark and long I don't know where I belong It seems like somewhere close A perception growing strong I heard the siren's song My perspective got all wrong It seems like no one knows Don't remember all is gone It's been a hard long wake Now the hour's getting late I thought I had a plan Lost it somewhere on the way I've seen the small turn great Always thought it was my fate But then I'm just a man Had no patience left to wait
