

## Wall of Sound

Covenant

We are born alone and lonely we remain  
When we learn to speak, we speak to hear a voice  
As the years go by we learn a thousand words  
Then we try to talk to curse the silent sky

Like diamonds in the ground  
We are waiting to be found  
In silence we are bound  
By the wailing wall of sound

Want to break the shell and cut the puppet strings  
With our primal scream that echoes back inside  
Want to pierce the noise and make our voices heard  
To the distant shape that wonders who we are

Like diamonds in the ground  
We are waiting to be found  
In silence we are bound  
By the wailing wall of sound

We must put aside the weapons of our minds  
Cross the no man's land come with empty hands  
Overcome the fear to drop the last defence  
Speak forbidden words reach out beyond ourselves

Like diamonds in the ground  
We are waiting to be found  
In silence we are bound  
By the wailing wall of sound
