Covey

Ghost's found down a hallway  
Can't see them and they can't see us  
She's walking on the free way  
Wrighting [?] back to 1955

See our lives in color  
With black and white when shades are shut

She's most definitely waiting  
On top of planes and watching over [?]  
She knows that life is worth debating  
So we should all just stop complaining

See our lives in color  
With black and white when shades are shut  
Age is just a number  
Trapped in every [?]
