

Call Home

Covey

I keep on making mistakes
And I don't know why I
Can't seem to pretend
That I am alright
I've been gone for a long time
You shouldn't be so surprised

I'll call you more
But I'm much too drunk
A touch too often
And I'll try to be there
But I'm much too drunk
A touch too often

I keep on hurting myself
And I am not sure I know
How painful this is for everyone else
I've been gone for a long time
I think fair its your that your

I'll call you more
But I'm much too drunk
A touch too often
And I'll try to be there
But I'm much too drunk
A touch too often

I don't where I've been
So I keep calling home
Trying to find you
Still I'm on my own

I'll call you more
But I'm much too drunk
A touch too often
I'll try to be there
But I'm much too drunk
A touch too often
