

# Fever

Covey

It was the winter that we all had  
The kind of winter that was all right  
And it was cold but not cold enough  
To keep us home

How long have we been friends for?  
(Too long)  
That will never go away  
And I remember when I helped you out  
So you helped me too  
Yeah I said

I'm so weak can you take my fever  
At my best I'm sure I'd leave you  
I'm so weak can you take my fever

We used to hang out on the beaches  
Late nights  
Drinking anything we could  
And I remember that I turned to you  
I had some shit to say

We were known as the kids in that punk band  
But I was stuck in the same old sad land  
When I turned to you  
I had some shit to say  
Yeah I said

I'm so weak can you take my fever  
At my best I'm sure I'd leave you  
I'm so weak can you take my fever

And I don't know why I can't leave you  
I don't know  
I don't know why I can't leave you  
I don't know  
I don't know why I can't leave you  
I don't know  
I don't know why  
Yeah I said

I'm so weak can you take my fever  
At my best I'm sure I'd leave you  
I'm so weak can you take my fever
