

# Hell Is Real

Cowboy Junkies

Hell is real, hell is hot  
Jesus is coming, ready or not

He's a man tall and proud  
All that weight upon his brow  
I'm scared  
And I'm angry

Jesus is coming, ready or not  
He's a man be to hell  
All those rocks upon him fell  
I'm scared  
And I'm lonely

Jesus is coming, ready or not

And they will meet on the fields  
Tear a crest upon his shields  
I'm scared  
And I'm empty

Jesus is coming, ready or not  
Hell is real, hell is hot
