

## The Slide

Cowboy Junkies

Jesus, sweet Jesus if you're listening  
Can you pass me to your pa?  
I'm having a hard time understanding  
Why he's so cruel and demanding with his love

Darling, sweet darling keep whispering  
I'll find you through this din  
Sitting and watching  
Two flames busy dancing to our love

Grab on to this moment  
Inhale it, hold it inside  
Savor it's sweetness  
Yearn for the slide

Grab on to this moment  
Inhale it, hold it inside  
Savor it's sweetness  
Yearn for the slide

Jesus, sweet Jesus if you're listening  
Can you pass me to your pa?  
I'm having a hard time understanding  
Why he's so discriminating with his love

I'm having a hard time understanding  
Why he's so discriminating with his love  
With his love, yeah with his love  
With his love, yeah with his love
