

# The Things We Do to Each Other

Cowboy Junkies

Fear is not so far from hate  
So if you get the folks to fear  
It only takes one small twist  
To kick it up a gear  
Oh oh oh

And you can control hate  
But only for so long  
And when you lose control  
Ooh man  
The things we do to each other  
Oh my sister

And you can control hate  
But only for so long  
And when you lose control  
Ooh man  
The things we do to each other  
Oh my brother

Oh oh oh oh  
The things we do to each other  
Oh the things we do to each other

Fear is not so far from hate  
So if you get the folks to fear  
Oh my brother  
Oh my sister

The things we do to each other  
It only takes one small turn  
To kick it up a gear  
The things we do to each other  
Ooh man

Fear is not so far from hate  
So if you get the folks to fear  
It only takes one quick turn  
To notch it up a gear  
Oh oh oh  
Oh oh oh oh  
Oh oh oh  
Oh oh oh oh...
