

(You've Got to Get) A Good Heart

Cowboy Junkies

Tell me what brings you closer my dear
is it the beauty or the fear
Tell me what keeps your interest here
is it the chill or is it the fever

Is it the terror or the grief
Is it the trigger or the breach

You've got to get a good heart
You need a good heart

Take me back to another time
When the birds brought forth the sun
Take me back to that golden year
When the pain brought forth the gun

You've got to get a good heart
You've got to get a good heart

Is it the beauty or the fear
Is it the chill or is it the fever

Take me back to another time
When the birds brought forth the sun
Leave it there it's sad and tired
It's time that we moved on

You need a good heart
