

## Laughable

### Cowboy Mouth

Well I stare at the hole in my hands  
And I watch you slip away  
And I feel if I'd only done better  
Than the maybe I could make you stay  
Then I stare at the hole in my hands  
And I can't remember things I say hour to hour,  
Sentence to sentence, day to day  
Well I could but I don't  
I should but I won't  
It's laughable

There's an empty space in my bed  
Maybe's too big these days  
Even as I hold you I'm letting you go  
Somewhere there's an empty space in my heart  
When my friends say, "boy now you're free"  
Cause freedom's not a ring around your finger  
I can tell 'em it's a memory  
Well I could but I don't  
I should but I won't  
Having to tell someone goodbye  
Having to find a place to hide  
When all you feel these days  
Is empty inside
