Life After Beth

Cows

I had a dream and I woke up
I had a dream that we broke up
I rolled over to tell you
You were awake and you spoke up
You said "I have something to tell you
You know that I want you to trust me
And I swear that I'll always
Make all your dreams come true"
Love is like a lions mouth
I put my head inside it
I put my heart beside it
Nobody forced me to do it
It was a thrilling feeling
To feel the lion's breath
That kind of smelled like death
