

Shaking

Cows

Yo girl I love it when you make my asshole bleed
That's when I get the shakes inside me

I'm shaking from your big bone
I'm shaking in my colon
I'm shaking in my back door
I'm shaking all over

Yo girl I love it when you bend me over and do me free
That's when I get the shakes inside me

I'm shaking from your big bone
I'm shaking in my colon
I'm shaking in my back door
I'm shaking all over

Yo girl I love it when you make my asshole bleed
That's when I get the shakes inside me

I'm shaking from your big bone
I'm shaking in my colon
I'm shaking in my back door
I'm shaking all over
