

## Freaky 45

Cozz

Look, yo  
Sometimes I show emotion, sometimes I show I have none  
Deep down my love is potent and hell my love get bad lungs  
Is this is my satisfaction, not showing no compassion to women  
Damn mama I wonder if I was a bad son  
Cause how I treat 'em, I treat 'em  
And then I leave 'em  
Like I don't need 'em that ain't no secret  
Cause honestly I really don't  
But that's why I'm really dope to these women  
But the same reason why I can't keep it close with these women  
The same reason why you ain't been in the city in a while  
You ain't hit me in a while  
I think you miss me and that's wild  
I could be simply in denial  
Cause you even took Comittee out your bio  
I feel envy and I ain't proud of how some shit went down  
But look, beggin' just don't fit my style  
But lately it's been so hard just to get me to smile and that's why  
So look my lifestyle is different, you just didn't get it  
If I had a older woman she wouldn't be trippin'

I mean you really my type  
I'm sure you really would ride  
But we ain't on the same time  
I think right now I'm too old for my age, I need a freaky 45  
I said I'm old for my age, I need a freaky 45  
45 yeah  
I said you really my type  
And I'm too dumb for a wife  
I just want it for a night  
I think I'm too old for my age, I need a freaky 45  
I said I'm old for my age, I need a freaky 45  
45 yeah

I need a freaky 45 she gon' freak me right  
I know she really down to ride, she keep that .45  
Ain't gotta guess what she want cause she already knows  
It's just the sex and the lust that she's here for  
See, women my age think that I'm cold  
Cause all they ever wanted from me was a sugarcoat  
But oh no, I am not that nigga, I keep it realer  
I mean you cool and all, but do you have an older sister?  
I guarantee she ain't gon' be mad about no twitter  
Ain't gon' be mad about no insta  
Ain't gon' be mad about some picture  
That I like from a year ago  
I could be right, I could be wrong  
But I don't care if she don't trip  
And I don't ever check her phone  
Cause she don't ever check my phone  
So I don't ever change my code  
My business is mine, I mean she'll get it in time  
She ain't tripin' she fine  
And she really does know it  
Fuck below 25 I need a chick one below 4-6  
That's 45

I mean you really my type  
I'm sure you really would ride  
But we ain't on the same time  
I think right now I'm too old for my age, I need a freaky 45  
I said I'm old for my age, I need a freaky 45  
45 yeah  
I said you really my type  
And I'm too dumb for a wife  
I just want it for a night  
I think I'm too old for my age, I need a freaky 45  
I said I'm old for my age, I need a freaky 45  
45 yeah

If you freaky 45  
Hands up in the air, tell me what you 'bout
