

# Higher Power

Cozz

Yeah, look

It's easy to tell that I belong to a higher power  
Even when I seen hell, I didn't reek hell  
I didn't rekindle my firepower  
You not a threat, nothing to fight about  
I see through you even when my light is out  
Okay  
Aye, okay, hey

You light as a mouse inside of my house  
Not making no noise just chasing the clout  
Yeah, you want the cheese but without no dreams  
You gon' continue to sleep on the couch  
Shooting a scene and making a scene  
That's two different things that we're not about  
Aye, okay  
Aye, okay, hey

I feel like I got a lot to prove  
I feel like y'all cannot walk in my shoes  
I feel like I'm damaged beyond repair  
I feel like I loss a whole lot screws  
I feel like as a kid nobody was there for me mentally  
Nothing else mattered as long as we had a roof  
But I needed a home not a house  
I mean, I wouldn't have minded more room but it's cool

In my heart I knew there was a Benz comin'  
But for now we worried when the rent comin'  
What would you do for loot when your bands slummin'?  
Couple do-do-do-do for your heads comin'  
Wasn't cookin' no soup on that damn oven  
We was heatin' up water, the klan's from it  
I got through that, I've shown improvement, I can prove it  
I'm the truest, always knew I could do it  
I'm the student and the teacher  
I can teach, I can eat for any feature  
Fuck a preacher  
I've heard a serpent serve a sermon  
Seen an angel twerk for demons, shit's deceiving  
So please don't believe that I don't belong  
Every demon I've conquered them all  
I felt the rain, I felt the sun and y'all 'bouta feel this rain again  
Nigga, I ain't gotta talk at all

It's easy to tell that I belong to a higher power  
Even when I seen hell, I didn't reek hell  
I didn't rekindle my firepower  
You not a threat, nothing to fight about  
I see through you even when my light is out  
Okay  
Aye, okay, hey

You light as a mouse inside of my house  
Not making no noise, just chasing the clout  
Yeah, you want the cheese but without no dreams

You gon' continue to sleep on the couch  
Shootin' a scene and makin' a scene  
That's two different things that we're not about  
Aye, okay  
Aye, okay, hey

It's been so long that I had to be strong  
Had to carry my own  
Had to do it alone  
But I kept carrying on  
I kept carrying on  
I'm okay, I'm okay

Okay  
You can take my arms, you can take my clothes  
You can take my legs, you can take my toes  
You can take my cash, you can take my home  
You can't take my heart, you can't take my soul  
You can't take my heart, you can't take my soul  
Okay  
Yeah, okay
