

Bitch, you so cliché, you like them J's
You like them chains, well that's okay
Cause that's a game that I can play
Only cause you be the baddest
'Scuse me for rudely askin'
How you be passin' your classes if you be absent?
Even the cutest of the stupid students who be havin' them horny ass teachers
Grades be usually average, you gettin' A's, from the teachers who don't pass
kids
Because them titties hypnotizing and that booty magic
Almost caught me up in yo' trap but I know the facts, I'm from Los Angeles
I can not support these cutie's habits
Five hours later, got a tapir, tryna take her to the crib
Hittin' doobies laughin', hop a fence, we in the hotel, in that 'cuzzi splas
hin'
Promise to take her ass to a movie after, I hope I'm in that coochie tappin'
But she the type who shoes be matchin', the Louis baggage
In this world where bodies and boobies eatin' plastic
For life's beauty pageant, who really got a chance with chicks like this
Man, all the shit I did, 'fore a chance, just let my dick slide in
Man, I really hope that it helps a bit that I'm just a bit light-skinned
But if not fuck it, you can hit me up tomorrow, I bet you get it right then
And if you got some friends, invite them
She light-skinned? Aight then
Yo white friends? That's coo'
Bring five friends, I got my friends
We got weed, we got brew
So hit me up tomorrow... yup, yup, uh

Woke up early just to hit the blunt, check my phone
See if any squirrely's tryna get the nut, young brown-skinned nigga
Waves but hair pretty curly when it isn't cut
Hair thoroughly keep it brushed but what she really wants is that light-
skinned nigga
She really want that light-skinned nigga
She really want a light-skinned nigga
She do it for the light skin nigga, woah

She said she want that light-skinned nigga
And if you comin' bring that right friend with' ya
But don't trip cause you might get richer
Cause you know she got a white friend with' her
Let's go bro, cause we on
I do a 100 all the way home
Gotta get dressed, put my chain on, I swear I'm in my zone
Cause tonight is my night, I might spray a little cologne
Cause tonight, I'm a pipe, cause I've been away too long
Like don't tease me girl, yeah, and I know you want to please me girl, yeah
Okay, I just wanna know what the purpose is, why these niggas say "No [?] "
I just wanna know what the purpose is before I really let you stay
Cause these bitches still on me, they can't stay in they place
If you was wondering what my taste is, just take a look at your face
And I don't know, it's so racist but two light-skins, you safe
If you was wondering who my ace is, he locked up with that case

Woke up early just to hit the blunt, check my phone
See if any squirrely's tryna get the nut, young brown-skinned nigga

Waves but hair pretty curly when it isn't cut
Careful, really keep it brushed but what she really wants is that light-
skinned nigga
She really want that light-skinned nigga
She really want a light-skinned nigga
She do it for the light-skin niggas, woah
Woke up early just to hit the blunt, check my phone
See if any squirelly's tryna get the nut, young brown-skinned nigga
Waves but hair pretty curly when it isn't cut
Careful, really keep it brushed but what she really wants is that light-
skinned nigga
