Cozz

What's a thought, my nigga?  
We don't think, nigga  
Great (woo!)

Yeah, cause I got a lot of questions  
I'd rather ask first  
I don't wanna second guess shit  
Tell me why these niggas pride is bigger than they work effort  
Bad at they struggle, but don't hustle to earn cheddar  
I work, get up early to earn the first letter  
A+ effort, I know I deserve better  
My nerves messed up, I burn better, the herbs get us  
High enough to pluck bird feathers, ice berg lettuce  
Gets us so cold we'll murk niggas  
Hold the 44 to your dome, try to search niggas  
They gat blow, turn your afro to a perm nigga  
I'm sure nigga, but that same nigga that'll purge with you will turn  
in your name to the God damn services  
But won't serve witcha'  
He gone teach your ass a lesson, but ain't gon' learn witcha'  
And that's the reason why that you gon' have a seasoned mind  
Pain builds maturity, don't you be worried G  
I keep a even mind but gotta know the reason why  
These niggas ain't really sure of me, I ain't certain G  
They doubt me currently even with Cole referring me  
Well, shit, niggas be hating, it just occurred to me  
Niggas be pussy, they looking Kirby pink  
That's why niggas be shooting, but not how Curry be  
It's an emergency, rap need a savior  
And I think that I can save it  
But look, ain't no one heard of me  
Yea, ain't no one heard of me  
But I'm gon' be what I deserve to be  
Certainly, sure to be, a current king  
Case closed like someone murdered me  
Then buried me, and couldn't be found  
But it's evident that I'll be around for more than a while  
Wildest child, run this track for more than a mile  
Open your mouth, jaws to the floor  
Cause she in shock, I got her begging for more  
She just wants the cock, I'm not really sure  
That's why I always call before I ever knock on the door

I got questions  
Got a lot of fucking questions dawg  
I got questions  
Got a motherfucking question dawg  
I ask questions
