

Tell Me

Cozz

That pussy mine right now

Tell me, tell me that that pussy's mine now
That pussy is bomb or nah
That pussy's mine now
Just tell me that
Tell me, tell me that that pussy's mine now
That pussy is bomb or nah
That pussy's mine now

Just promise that I can have that pussy when I want
Promise that a real nigga gonna beat it up
Promise I can eat it up for dinner and lunch
Have that shit for brunch girl
I know what you want
Promise that you want me yeah

I promise that shit
You tell them niggas that you got a man every time
But they do not listen
Baby girl you gotta be tough for me
Tell them niggas get the fuck from me
Tell them niggas that they butt ugly
Tell them niggas to get some money
Let em know that they ain't gotta chance
Let em know that they can't have a dance
Let em know that you ain't holding hands
With no fucking nigga with no fucking bands
Let em know you fucking with the macc
Let em know that I won't pull you back
If you acting like you don't know how to act
Knowin' yo ass been in drama class
Havin' real niggas and ain't gotta ask
You basically wearin' a Cody mask
Beamer Macc tatted across her ass
You touch her I won't front I will be mad
You touch her I won't front I will be mad
You know she only fuckin' with the Mack
I need that
I need that

Tell me, tell me that that pussy's mine now
That pussy is bomb or nah
That pussy's mine now
Just tell me that
Tell me, tell me that that pussy's mine now
That pussy is bomb or nah
That pussy's mine now

Just tell me
T-t-t-tell me
That that pussy is mine
Tell me that that pussy is mine
T-t-t-tell me that pussy
That pussy is mine
That pussy is mine
That pussy so fine

Tell me that that pussy is mine
Tell me that that pussy is mine
Tell me that that pussy is mine
That pussy is mine
That pussy is mine
That pussy been fine

Yeah I can tell that pussy is mine yeah
I can tell you wan't me forever
Can't promise Imma settle down just right now
Them false dreams I will never sell ya
But baby you could come my way I'll help ya
I'll help ya
I can write your name with my tongue
I don't front
Tell me what you want from the back of the front
Yeah tell me when to cum
Girl you nasty I'm talking bout the door
I know your roommate home
Imma keep it on the hush
Baby I can make you scream my name
You'll never be the same
And that I promise
I don't wanna use no condoms
So make sure that you clean that thang
I did I did I did I did I did
Want it right now I want it right now
I did I did I did I did I did
Want it right now want it want it right now
I just I just uh I just I just
Want it right now I just want it right now
I just want it right now
I just want it right now
I promise I just want it... Now
