

# Ya Know Dat

Cozz

On the road again, no hoes, just friends  
Fuck nah, we on chainsaws  
Cause all we want is them pesos  
The reason why y'all probably all stay broke  
I'm an inch away from that payroll  
A foot away from that  
About a yard away from that  
About a mile away from that  
Tired of sayin' that, I'm the man  
I'm killin' these niggas, got one hundred rounds  
I don't be fuckin' around, I'm fuckin' around with' a chick that's 200 pounds  
And it's all in her ass, hips and them damn tits  
Causin' your mistress mattress, causin' magic with' his johnson  
So you know, it's 24 hour fitness, when I'm in it I give you 'bout fifteen minutes  
If I'm in it and this is some chick that I ain't really feelin'  
So can I talk my shit again, even if don't hit again  
Dog, who you kiddin', claimin' you do not be sippin'  
In order to get it we all gotta kiss some ass  
In order to get it, it's part of the mission, excuse me
