

# Everybody Gets One For Free

Cracker

I talk to the waitress  
Yeah she was pretty hot  
She gave me her number  
But that's all I got

Everybody gets one, everybody gets one for free  
Everybody gets one, everybody 'cept for me

Started a conversation  
About the United Nations  
Had to use imagination  
She was talking about reincarnation

Everybody gets one, everybody gets one for free  
Everybody gets one, everybody 'cept for me

Stayed up all night drinking  
When I should've been home  
Had a vision of the blessed virgin  
Butt now I'm not sure at all

Everybody gets one, everybody gets one for free  
Everybody gets one, everybody 'cept for me

Miguel Urbiztondo  
Backstage New Year's Eve  
When the policeman came to look for him  
He said "What the fuck do you know?"

Everybody gets one, everybody gets one for free  
Everybody gets one, everybody 'cept for me

She from the Inland Empire  
Her dad was an umpire  
Her mama was a go-go dancer  
Everybody got in for free

Everybody gets one, everybody gets one for free  
Everybody gets one, everybody 'cept for me

I know that our last record  
Didn't do very well  
But now we're back on the block  
With our freedom rock?

Everybody gets one, everybody gets one for free  
Everybody gets one, everybody 'cept for me

The Montreal policeman  
Wouldn't get off his ass  
So all your shit was stolen  
What's the matter with that?

Everybody gets one, everybody gets one for free  
Everybody gets one, everybody 'cept for me

I got a yellow carnation

I got some Kevlar pants  
I got a new American Century  
Do the freedom-hater's dance

Everybody gets one, everybody gets one for free  
Everybody gets one, everybody 'cept for me

I was driving in my car  
It was filled up with yams  
For no obvious reason  
That's just who I am

Everybody gets one, everybody gets one for free  
Everybody gets one, everybody 'cept for me

Everybody gets one, everybody gets one for free  
Everybody gets one, everybody 'cept for me

Last call  
Find the one

Everybody gets one  
Everybody gets one 'cept for me  
Everybody gets one 'cept for me  
'cept for me
