

## Guarded By Monkeys

Cracker

You are so beautiful  
You should be hid deep in the jungle  
On some forgotten island

I heard about you  
I got your PGP key  
I write you letters every day

You are so beautiful  
You should be guarded by monkeys  
You are so beautiful

I have you rented?  
51 daylight  
It does not seem to impress you

You are so beautiful  
Supplied and classified  
I can't stop thinking about you

You are so beautiful  
You should be hid deep in the jungle  
You are so beautiful

You are so beautiful  
You are so beautiful
