

# Hold Of Myself

Cracker

Hold of myself  
Just trying to get a hold of myself  
Scaring my friends, just trying to get a hold of myself

Sabotage all I set out to do  
I can't imagine how that looks to you  
Just don't go away, just trying to get a hold of myself

Got me a dog, I think it's time I got me a dog  
To be my little pal, I think it's time I got me a dog  
Last one I had got hit by a car  
Kept right on going and I took it real hard  
Now it's time to move on, I think its time I got me a dog

Ah, oh, oh oh oh  
Ah, oh, oh oh oh  
Ah, oh, oh oh oh

Fork in the road, I think we're coming to a fork in the road  
Take it from me, I know we're coming to a fork in the road  
I miss the days when you could laugh at yourself  
You rip my heart out when you don't want my help  
Take it from me, we're coming to a fork in the road

Hold of myself, just trying to get a hold of myself
