

I See The Light

Cracker

I'd really like to see you now
In your father's combat boots
I'd really like to be with you
'Cause we could be so dark
It was only for the grace of you
That I got this attitude
I'll show you my gratitude
When I make it though

I see the light at the end of the tunnel now (I see the light)
Someone please tell me it's not a train (train, I see the light
)
I see the light at the end of the tunnel now (I see the light)
No time to speak, no time to explain

Sometimes I imagine you
Lying in your bed
Sometimes you imagine too
Do you sometimes lust
For the grace that others have inside
The simple peace they make with life
They feel love like some summer's night
Well I want it too

I see the light at the end of the tunnel now (I see the light)
Someone please tell me it's not a train (train, I see the light
)
I see the light at the end of the tunnel now (I see the light)
No time to speak, no time to explain

(I see the light)
I see the light at the end of the tunnel now (I see the light)
Someone please tell me it's not a train (train, I see the light
)
I see the light at the end of the tunnel now (I see the light)
No time to speak, no time to explain

I see the light now, I see the light now, I see the light now,
now
I see the light now, I see the light now, I see the light now,
now, now, now
I see the light now, I see the light now, I see the light
I see the light I see the light
I see the light, now, now, I see the light, I see the light, no
w
I see the light now, I see the light now, I see the light
I see the light now, I see the light now, I see the light
