This Is Cracker Soul

Hey hey it's okay to Make a little mess out of your life 'Cause you don't need a diagram to tell you how to have a good time

I said hey (hey) Don't mean to frighten you away This is Cracker soul, it comes so easy I said hey (hey) Don't get your head a mess. This is just the best, it comes so easy It comes so easy

Hey hey it's okay to never know the answer but ask why (why oh why?) You don't need another burden come and party with your spirit guide

I said hey (hey) Don't get your head a mess This is Cracker Soul It comes so easy I said hey (hey) Don't get yourself distressed Love is just the best When comes easy It comes so easy
