

## Interlude - Creatures That Kissed in Cold Mirrors

Cradle of Filth

Archangel, dark Angel  
Lend me thy light  
Through Death's veil  
Til we have Heaven in sight

Archangel, dark Angel  
Lend me thy light  
Through Death's veil  
Til we have Heaven in sight

Archangel, dark Angel  
Lend me thy light  
Through Death's veil  
Til we have Heaven in sight

Archangel, dark Angel  
Lend me thy light  
Through Death's veil  
Til we have Heaven in sight

Archangel, dark Angel  
Lend me thy light  
Through Death's veil  
Til we have Heaven in sight

Archangel, dark Angel  
Lend me thy light  
Through Death's veil  
Til we have Heaven in sight

Archangel, dark Angel  
Lend me thy light  
Through Death's veil  
Til we have Heaven in sight

Still fucking here are ya?  
Well I couldn't tell it  
This is track from our first promo video  
The one with the dwarfs  
And the amputees and the freaks in it  
And that was just the fucking band!
