

# Temptation

Cradle of Filth

I've never been closer,  
I've tried to understand,  
That certain feeling,  
Called by another sound,  
But it's too late to hesitate,  
We can't keep on living like this.

Leave no track,  
Don't look back.

Wall of desire (temptation)  
You climbing higher and higher (temptation)  
Adorable creatures (temptation)  
With unacceptable features (temptation)  
And Trouble is coming (temptation)  
It's just the high course of lovin' (temptation)  
And you can take it or leave it (temptation)  
But you better believe it.

You've got to make me an offer,  
That cannot be ignored,  
So lets head for home now,  
Everything I have is yours,  
Step by step and day by day,  
Every second counts  
I can't break away.

Leave no trace,  
Hide your face.

Wall of desire (temptation)  
You climbing higher and higher (temptation)  
And you can take it or leave it (temptation)  
But you better believe it. (yeah)

Step by step and day by day,  
Every second counts  
I can't break away.  
(keep us from temptation, Keep us from temptation, Keep us from temptation,  
lead us right into temptation)

Trying to find it (temptation)  
You've got to get up behind it (temptation)  
But you've turned into heart slots (temptation)  
But it's a million to one shots (temptation)  
That fit you right now (temptation)  
You've got to fake it tonight now (temptation)  
But don't give me a breakdown (temptation)  
Because it's time for a shakedown (temptation)
