Let's Go Out Tonight

Craig Armstrong

Where the cars go by,
All the day and night,
Why don't you say,
What's so wrong tonight?
Pray for me,
Praying for the light,
Baby baby,
Let's go out tonight.
Where the lights all shine,
Like I knew they would,
Be mine all mine,
Baby I'll be good.
Pray for me,
Praying for the light,
Baby baby,
Let's go out tonight.
I know a place,
Where everything's alright,
Alright,
Let's go out tonight.
Where the cars go by,
All the day and night,
Why don't you say,
What's so wrong tonight.
I pray for love,
Coming out alright, yeah,
Oh baby baby,
Let's go out tonight, yeah.
Baby baby,
Let's go out tonight,
Let's go out tonight.
Tonight,
Tonight,
Let's go out tonight,
Yeah,
Where the cars go by,
Where the lights won't shine,
...,
Tonight.
