Elvis died on the can
Elvis died a lonely man
Lets all take a moment to remember elvis presley
From memphis tennesse
You said go i said stay
You said Id be in the way
These moving changes that come quickly lately
From memphis tennessee

Open sky open ground
Nobody for miles around
Except you and me here in
Memphis tennessee
O Memphis Tennessee
Elvis died on the can
Elvis died a lonely man
Lets all take a moment to recollect elvis presley
From memphis tennesse
