

All Alone Tonight (Stop, Look, Listen)

Craig David

Ohhhhhhh ohhhhhhh.

Stop , Look Yehh, Listen to your heart hear what it's saying
Stop , Look Yehh, Listen to your heart hear what it's saying

All I can see are all the mistakes I made and Leaving me all alone tonight.

How hard we fall when somebodies hand let's go and sleepless can become the night.

So you see gotta let you know, I would never let you go

I just wanna be there when you turn down the light.

Do I need to spell it out for you?

All the dreams I'm dreaming are times two.

I just wanna be the one that makes it alright, So baby girl...

Stop , Look Yehh, Listen to your heart hear what it's saying

Stop , Look Yehh, Listen to your heart hear what it's saying

Stop , Look Yehh, Listen to your heart hear what it's saying

Stop , Look Yehh, Listen to your heart hear what it's saying

Girl there's no chance of us running out of love and when all I can think about is you.

What we have I know is gonna last, All the tears we cried are in the past.

I don't wanna be alone with a photograph, So baby girl...
