

# Come Alive

Craig David

You stumble through your days  
Got your head hung low, your skies a shade of grey  
Like a zombie in a maze  
You're asleep inside, but you can shake awake

'Cause you're just a dead man walking  
Thinking that's your only option  
But you can flip the switch and brighten up your darkest day  
Sun is up and the color's blinding  
Take the world and redefine it  
Leave behind your narrow mind  
You'll never be the same

Come alive, come alive  
Go and light your light, let it burn so bright  
Reaching up to the sky  
And it's open wide, you're electrified  
When the world becomes a fantasy  
And you're more than you could ever be  
'Cause you're dreaming with your eyes wide open  
And you know you can't go back again  
To the world that you were living in  
'Cause you're dreaming with your eyes wide open  
So, come alive

I see it in your eyes  
You believe that lie that you need to hide your face  
Afraid to step outside  
So you lock the door, but don't you stay that way

No more living in those shadows  
You and me, we know how that goes  
'Cause once you see it all, you'll never, never be the same  
Little bit of lightning striking, bottle up to keep on shining  
'Cause you can prove there's more to you  
You cannot be afraid

Come alive, come alive  
Go and light your light, let it burn so bright  
Reaching up to the sky  
And it's open wide, you're electrified  
When the world becomes a fantasy  
And you're more than you could ever be  
'Cause you're dreaming with your eyes wide open  
And you know you can't go back again  
To the world that you were living in  
'Cause you're dreaming with your eyes wide open  
So, come alive

Come on, come on, come on, come on  
No more living in the shadows, no  
Come on, come on, come on, come on  
Shouting out

Come alive, come alive  
Go and light your light, let it burn so bright  
Reaching up to the sky

And it's open wide, you're electrified  
When the world becomes a fantasy  
And you're more than you could ever be  
'Cause you're dreaming with your eyes wide open  
And you know you can't go back again  
To the world that you were living in  
'Cause you're dreaming with your eyes wide open  
So, come alive  
When the world becomes a fantasy  
And you're more than you could ever be  
'Cause you're dreaming with your eyes wide open  
And you know you can't go back again  
To the world that we were living in  
'Cause you're dreaming with your eyes wide open  
So come alive
